Dear Pankaj Kumar Rathi,

Your presence in the uOttawa buddy program, during the winter semester 2022 was very appreciated. We have had an exceptional year in this program, and the number of connexions.

In the name of Student Affairs, I would like to thank you personally for being a volunteer with us and help the student experience, on and off campus, during their year at uOttawa.

We would be very happy to have your back on the volunteer team, once again in this growing program.

Thank you!

M. Bellefeuille
